### Who can Join? You can!

# What is

This Organisation has contact with most line dance instructors throughout Australia.

Membership is open to Instructors (Professional), Dancers and Spectators (Associate).

We are a non-profit organisation formed in 1994 with the idea of having a single organisation to assist, promote and encourage line dancing to enthusiasts throughout Australia.

This is achieved by actively supporting the members - both instructors and dancers - of the organisation through the interaction of information. Mail outs and return of questionnaires, e-mails and of course the web page.

Another goal of the Association was to help the "small" Professional Instructor to overcome the problems in setting up and maintaining line dance classes.

#### Members **Benefits** include

- A Guide form which has venue and events information.
- Discounts on: Beaurepaires and services, C.D. Compilations and Internet Connections
- Opportunities to get involved in the development of line dancing in Australia.
