The LDAA Line Dance Association Inc. is a nonprofit organisation aimed at promoting line dancing and supporting Instructors, Line Dancers, Clubs and related activities in a positive and pro-active manner.

When and Why did we Start?

We were formed in 1994. The purpose was to help:

- a)** The "small" Professional Instructor to overcome the problems in setting up and maintaining line dance classes.
(For example, licensing and insurance are two areas which the association has had a major part in clarifying and reducing costs considerably.)
- b)** to actively support and promote the line dancing to enthusiasts throughout Australia..

Why are we still going ?

Professional Instructors need up-to-date unbiased information to be provided regularly. This "Information" is also open to all line dancers throughout Australia. These members are known as Associate Members.*
